ANACONDA THE VICTOR

The Missoula Football Team Goes Down to Defeat.

VISITORS FAIL TO SCORE

The Local Club Puts Up a Strong Game at Every Point. The Tigers Lack Team Work—Manager McMillan Pleased.

Anacoda's football team played its second game yesterday and scored its second victory. It was a hard-fought contest from beginning to end, and as the score indicates, neither team had any overwhelming advantage. The Missoula boys came down confident of their ability to down their opponents and a large number of local people shared the visitors' opinion merely from the fact that the Tigers were so much heavier and had the reputation of being a crack team. Anacoda was never discouraged at any time previous to the game, but no such thought as over-confidence possessed them. They went on the field with the determination to do or die, and they did not die. The crowd was a typical football aggregation. Yards of ribbon were floating from button holes and canes, and hideous noises emanated from tin horns, shrill whistles and several hundred pairs of feet. The field was so full of spectators that the grounds below had been more noise, so it can safely be asserted that football will thrive in Anacoda.

When the two teams lined up the overwhelming weight of the Missoula was at once apparent. With a cheering word from the coach, however, the Anacodas went at it good and hard, and the first five minutes of play showed plainly that the heavy line of the visitors, although it might be a stone wall, was not devoid of holes of sufficient size to let the agile Anacodas go through. All through the first half the spectators cheered lustily and could not see how the locals could suffer defeat. In the second half, however, the Missoula seemed to rally, and for about 25 minutes one of the best contests ever seen in the state was witnessed. Then the Anacodas, by superior running and team work, got the upper hand, and in the last five minutes of the game, the teams spent the time pleasantly together, the Anacoda Glee club enlivening the occasion with songs. The Missoula team also expressed themselves as highly pleased with the treatment accorded them and spoke highly of the gentlemanly conduct of the local players.

The visiting team will leave for home this morning at 8 o'clock. A return game will be played in Missoula in the near future. In the neighborhood of 500 people attended the contest. At 2:50 o'clock p. m. the ball was kicked off by Anacoda, who defended the north goal. Missoula caught the pigskin and advanced it a few yards and then lost it on downs. Anacoda then took the ball and advanced it steadily by gains through the line and around the ends, not losing the ball until LaFontaine was sent through tackle and end for a touch down. No goal was kicked. The touch down was made after 15 minutes of play.

Score: Anacoda, 4; Missoula, 0. Missoula then kicked off from center and the ball was downed on Anacoda's 20-yard line. A couple of attempts at the Tiger's line had no result, and Missoula got possession of the ball only to lose it again on downs. Anacoda then began bucking the line in great style and soon had the ball dangerously near the Missoula's goal line. Here it was lost on a fumble and the pigskin went over to the visitors. They did not keep it long, however, for on the first play Anacoda broke through and tackled the runner before he had passed his own line, at the same time losing the ball, which was promptly fumbled by the home boys. Anacoda then made a series of short gains and finally had the ball within six inches of their opponents' goal line. Here O'Mara was sent into the line and literally shoved through for a touch down. Healy kicked a goal.

Score: Anacoda, 10; Missoula, 0. Missoula again kicked off from center and secured the ball and retained possession until the call of time in the first half, when they had advanced to Missoula's 35-yard line. In the second half the game was much better contested than in the first. Missoula made a decided stand and gained repeatedly for short distances. Anacoda was fined five yards for off-side play and Missoula, taking advantage of their advantage, gained nine yards more, when the ball went to Anacoda on downs. The home team made half a dozen short gains and then succeeded in the defensive work of Missoula's heavy line. Missoula's advantage was but momentary, as Anacoda again secured the pigskin on a fumble after Missoula had made a running play of 15 yards. Anacoda gained but four yards and then lost the ball. The Tigers, after three gains of a total of 10 yards, again relinquished it. The ball was then in Anacoda's territory and the boys rallied and started off with a 15-yard run around the right end. A series of line bucks brought them within jumping distance of the Missoula's goal and here LaFontaine was pushed over for a touch down. Healy again kicked a goal and the score stood: Anacoda, 16; Missoula, 0.

There were more points made by either team. During the remaining few minutes the ball alternated between

the two teams and time was called with the oval on Missoula's 35-yard line. The teams lined up as follows:

| | | |
|-------------|-----------|---------------|
| Missoula. | Position. | Anacoda. |
| Mix. | R. E. | Walton |
| G. Higgins. | R. T. | J. LaFontaine |
| McDonald. | C. | Dwark |
| A. Higgins. | C. | Blomstrom |
| F. Higgins. | L. G. | O'Keefe |
| Campbell. | L. T. | Curtis |
| Taylor. | L. E. | M. Sullivan |
| Pope. | Q. | P. Sullivan |
| Guffy. | R. H. | O'Mara |
| Violette. | F. | Healy |
| Harper. | L. E. | Crowley |

In the second half George Higgins relieved A. Higgins center, the latter getting his arm injured. Broderick filled George Higgins' place at tackle. The latter was injured in the latter part of the game and was relieved by Johnson. The only change made in the home team was the retiring of Walton at right and after the first half his place being taken by Louis LaFontaine.

The officials of the game were: Francis Brooks of Butte, umpire; John Griffith, referee; George (Snaky) King of Butte, timer; D'Gay Stivers, manager of the Butte team. The work of the officers was entirely satisfactory, Griffith being especially praised for his impartial decisions as referee.

In the game, Manager George McMillan, in commenting on the work of the team said:

"The game was constantly interesting from start to finish. The fact that the two teams were evenly matched kept the players constantly on their mettle. Anacoda had the better team work. This is what won them the game. In the second half the Missoula team lined up and did some beautiful line bucking and had Anacoda's three center men not played very low they would have been pushed all over the field. Captain Frank Griffith of the Missoula played the best line game for his team, and had Dwork not played low Higgins would have made large gains through his position. Anacoda's defensive work was better than I had expected. P. Sullivan made some brilliant tackles, nearly always throwing his man back for a loss. Healy's tackling was also a feature of the game. 'Old War Horse' J. LaFontaine, with a little more coaching, will hold his own with any tackle in the state. Both his offensive and defensive playing was the best I ever saw of a man so capable of the game. O'Keefe and McDonald at guard, had it rough and tumble, with honors about even. Curtis was the most agreeable surprise to me in the team. I do not think there is another man of his weight and age capable of putting up the same game. The two midlegs, M. Sullivan and John Walton at ends, were everywhere and in every play, not a single gain being made around the ends. Behind the line Crowley, Healy and O'Mara covered themselves with glory. I had expected Crowley and Healy to hit the line hard, but for a minute or two they were in the line for large gains was a surprise to me. Blomstrom at center passed the entire game without a single fumble. Monson and Tugbill did not go into the game, but will play next Sunday.

"The Missoula team has material for an excellent club, and with proper coaching should meet any of the big teams."

His bride was Miss Lorena McDaniels of one of the grand old families of Maryland, and Dr. and Mrs. Rinehart will be heartily welcomed in Anacoda's social circles.

Attorney J. H. Duffy began habeas corpus proceedings on Friday night in the case of E. B. Moore, who was sentenced by Judge Kennedy to 90 days in the county jail for being a vagrant and making the northern addition his habitation. The motion was argued before Judge Brantly on Saturday, and an order was granted for the liberation of the prisoner on the ground that the complaint did not charge him with an offense.

W. B. Mundy, manager of the local office of the Roy M. Mountain Telegraph company, is going to have fruit cake for Thanksgiving. This in itself is not remarkable, for many people have fruit cake for Thanksgiving, but when it is stated that Mr. Mundy's fruit cake comes all the way from Nova Scotia, it becomes a matter worthy of mention. Each year Mr. Mundy's folks send him a cake, and this year it is larger than ever, being about as big as a wagon wheel. "Bill's" friends are preparing themselves for a long siege of night-mare.

Notice to Teachers. Examination for teacher's certificates will be held at my office Nov. 19 and 20. Anna Quigley, County Superintendent of Schools.

Notice to Teachers. Examination for teacher's certificates will be held at my office Nov. 19 and 20. Anna Quigley, County Superintendent of Schools.

W. B. Mundy, manager of the local office of the Roy M. Mountain Telegraph company, is going to have fruit cake for Thanksgiving. This in itself is not remarkable, for many people have fruit cake for Thanksgiving, but when it is stated that Mr. Mundy's fruit cake comes all the way from Nova Scotia, it becomes a matter worthy of mention. Each year Mr. Mundy's folks send him a cake, and this year it is larger than ever, being about as big as a wagon wheel. "Bill's" friends are preparing themselves for a long siege of night-mare.
